Hi Brad,

Thanks for doing this.

Do you want to get together this week and do a run through of the questions and see what we can come up with as a first draft?

Subject: West Lake Landfill CAG Community Questions for EPA

Brad & Ben, please find attached the community's questions for EPA. We look forward to EPA's response at our upcoming March 9, 2015 meeting.

FYI these questions have been previously reviewed by SKEO (T. Boguski) and CAG Technical Committee.

Also attached are the community's questions submitted last Dec. 2014 - we await EPA's response to these too!
